# Upgrade your Medicare coverage.

Explore your AARP Medicare Supplement Insurance Plan options and learn how to apply.

# What are Medicare supplement insurance plans?

Plans for people on Medicare Parts A and B who want help paying some of the health care costs not covered by Original Medicare, like coinsurance, copays and deductibles.

- Medicare supplement plans are named with letters of the alphabet (A, B, C, D, F, G, K, L, M, N).
- Benefit levels vary by plan.
- Typically, the more comprehensive the coverage, the higher the monthly premium.
- Plans are regulated according to federal and state laws.

# Hassle-free Medicare coverage.

Remove the hassles from Medicare coverage with a Medicare supplement insurance plan.

## Coverage anywhere, anytime.

Your coverage goes with you when traveling anywhere in the U.S. and is guaranteed to continue as long as you pay your premium when due.\*

## Low to NO copays.

Make budgeting easier with a Medicare supplement plan, that helps you manage some of the out-of-pocket costs that Medicare Parts A and B don't pay.

## Any doctor. Any specialist. Any hospital.

You'll be able to visit any hospital or physician that accepts Medicare patients. And start off with a 30-day "free look" period.

\*And you do not make any material misrepresentation when you apply for this plan.

# Are you eligible?

If you answer yes to these questions, then you are eligible to apply!

**Will you be enrolled in Medicare Parts A and B at the time your coverage begins?**

**AND**

**Are you a resident of the state in which you are applying for coverage?**

**AND**

**Are you age 65 or older? Or are you under age 65 and eligible for Medicare by reason of disability or End-Stage Renal Disease?**

# How does MACRA affect my options?

The Medicare Access and CHIP Reauthorization Act (MACRA) of 2015 is changing Medicare Supplement Plan C and Plan F that cover the Part B deductible for anyone eligible after January 1st, 2020.

## Did you turn 65 before January 1, 2020?

If yes, you may enroll in Plans F or C even after 2020 and may keep your plan as long as you choose.

## Did you turn 65 on or after January 1, 2020?

You will only be able to purchase Medicare Supplement Insurance Plans F or C if you have a Medicare Part A effective date prior to 2020.

# Complete your Medicare coverage.

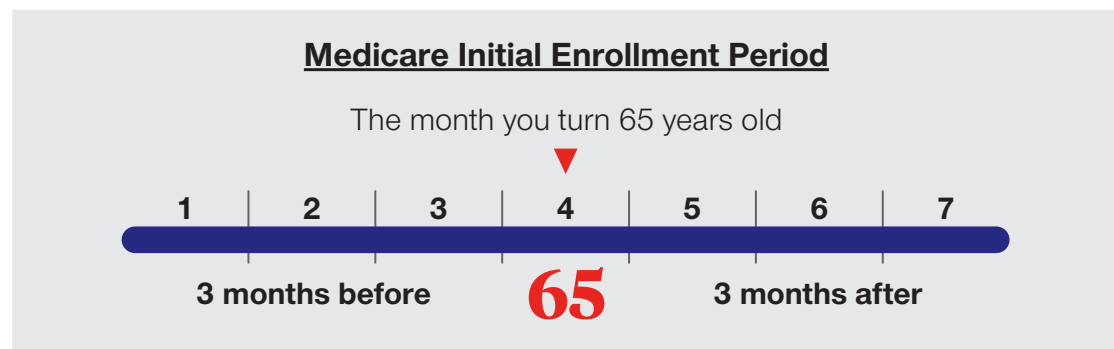

Medicare supplement plans and Medicare Part D plans work better together to help cover the costs Original Medicare doesn't.

## Here's how Part D works.

Part D prescription drug coverage is provided by UnitedHealthcare and other Medicare-approved private insurance companies that contract with the Centers for Medicare and Medicaid Services. If you have Original Medicare and would like to add prescription drug coverage, you may enroll in a stand-alone Part D plan.

## When do I sign up for Part D?

You may sign up for a Part D plan during your Initial Enrollment Period after you have enrolled in Original Medicare. If you enroll in Part D after your Initial Enrollment Period ends, you may have to pay a late-enrollment penalty.
